

2012 Conference on East Asia Finance -Crisis and Recovery of Financial Markets

Conference Website: <http://www.bf.tku.edu.tw/2012Conference>.

Call for Papers

May 26-27, 2012

Venue: Tamkang University (Taipei Campus), Taipei, Taiwan

Organizers

*Financial Academic Alliance of Taiwan
Securities and Futures Institute, Taiwan
Society for the Study of Emerging Markets, USA*

This conference is expected to serve as a platform for academics, practitioners, as well as government officials in East Asia and all over the world to exchange ideas in both theoretical research and industrial practice. Selection of topics for this conference will be based on the theme of “**Crisis and Recovery of Financial Markets,**” on which ideas and results in the academic research and recent development in financial industries can be shared, and financial markets in East Asia can benefit from insights promoted by the discussion and its fruits from this conference. **Research topics are to be included, but not limited to, the following:**

Monetary Policy and Currency Crises
Sovereign Debt Management and Related Issues
Market Microstructure
Basel III and Bank Risk Management
Corporate Governance
Private Equities, Hedge Funds, and Mutual Funds
Real Estate Finance
QDII, QFII, Capital Market Development in the Greater China Region
Cross-investment and Real Options
Corporate Financial Management, Restructuring, and Turn-around Management
Risk Measurement and Diversification
Pricing and Trading of Asset Derivatives
Investment in Emerging Markets
Interaction among Bond, Stock, and Foreign Exchange Markets
Transmission of Volatility and Capital Flows Restrictions

All submissions must be in English and in PDF format. Submission can be done via e-mail to 2012eaf@mail2.tku.edu.tw.
